Travel Insurance

Ferryhill Travel are pleased to provide you with extensive insurance cover arranged through travel insurance specialists Fogg Travel Insurance Services Ltd and underwritten by Union Reisersicherung AG (URV). Ferryhill Travel is an Appointed Representative of Fogg Travel Insurance who together with the Insurers are authorised and Regulated by the Financial Conduct Authority (FCA).

The insurance package that we have specially arranged with Fogg Travel includes cover for those activities organised by Ferryhill Travel as shown within this brochure.

Ferryhill Travel consider it is essential to have insurance before embarking on your holiday - in fact we consider it so important that we will not accept your booking if you are not insured.

A full copy of the insurance certificate will be sent with your confirmation of booking. It is essential that you read the insurance certificate. As with most insurances, you are only insured for an event which occurs after you purchase the cover. Please carefully read the paragraph heading "Health" on this page. If for any reason this insurance is not suitable for you, you may return it for a full refund, provided you return it within 14 days of receipt and you have not travelled or have made or intend to make a claim.

We have to bring to attention some of the important features of your travel insurance policy.

Insurance Policy - this contains full details of the cover provided plus the conditions and exclusions which apply to it. You must read the insurance policy carefully.

Conditions and Exclusions - there are conditions and exclusions which apply to individual sections and general conditions, exclusions and warranties which apply to the whole policy.

Health - If you, or any other person on whom the travel plans depend, have ever had treatment for any heart or circulatory condition, a stroke or high blood pressure, any breathing condition (including asthma), any type of cancer, any type of diabetes, any existing injury or other serious or recurring medical condition, any condition requiring long term prescribed medication or if you are receiving or awaiting investigation for any medical condition you must telephone the Referral Helpline (details can be found on the insurance certificate) to see if additional cover is available. Insurers reserve the right to impose terms. You will receive confirmation in writing of their decision.

Please note: If you are travelling as part of a school party group you need only phone Referral Helpline in respect to your health condition if you are 18 and over and in full time school education travelling outside Europe. All conditions for any other person on whom the travel plans (and who may not be travelling) must be referred to the Referral Helpline.

Property Claims - these are settled on an indemnity basis - not on a "new for old" or replacement cost basis.

Policy Limits - most sections of the policy have limits on the amount the insurer will pay under the section. Some sections also includes inner limits e.g.: for any one item, or for valuables in total.

Policy Excesses - claims under most sections of the policy will be subject to an excess. Where there is an excess, you will be responsible for paying the first part of the claim.

Reasonable care - you are required to take all reasonable care to protect yourself and your property and to act as though you are not insured.

Telling us about relevant facts - you must tell insurers or ourselves before you travel about anything which may effect your cover. This information must be completed and accurate. If you are not sure whether something is relevant you should tell us anyway. You should keep a record of any information you give us. If you do not tell insurers about something that may be relevant your cover may be refused and insurers may not cover any related claims.

Complaints - the insurance policy includes a Complaints Procedure which tells you what steps you can take if you wish to make a complaint.

Hazardous Holiday Activities - the policy does not cover any claims caused by taking part in a hazardous activity (as defined in the policy) except where forming part of a published activity provided by the Tour Operator. If uncertain please contact Ferryhill Travel.

Law - the contract will be subject to English Law unless otherwise agreed.

PLEASE ENSURE YOU READ YOUR INSURANCE POLICY CAREFULLY
